Dear Hazel:

I am glad that you called to discuss priorities for the Publicity and Public Relations Committee. I think that our choice to concentrate on library schools first will provide better results over the next several years.

As you requested, I have enclosed a copy of the list of library schools in our region. I listed only those schools with a first professional degree program accredited by the American Library Association.

Let me know how things develop with your Committee, and please call on me if I can be of any help.

Best Regards,

J. Wesley Cochran, President
